

November 29, 2005

**CAMPBELL COUNTY SCHOOL DISTRICT
LOCAL/STATE BOARD FACILITIES HEARING REPORT
AMENDMENT NO. 1**

A Local/State public hearing was held at the Campbell County School Board Office on November 29, 2005, at 6:00 p.m. (local time). The purpose of the public hearing was to propose an amendment to the District Facility Plan developed by the Campbell County Local Planning Committee. The Local Planning Committee (LPC) voted 14-0 in favor of the proposed amended plan and the Board voted 4-0 to approve the amendment.

There were two individuals in attendance. R. Anthony Strong, Superintendent, acted as the hearing officer.

COMMENTS

Mr. Strong called the public hearing to order and welcomed everyone. Mr. Strong outlined the purpose of the hearing and the hearing procedures in accordance with 702 KAR 1:001. It was explained that those persons wishing to speak would be given the opportunity and that written statements would be accepted. It was noted that all considerations will be made available to the Kentucky Board of Education via the hearing officer's report. Mr. Strong read the proposed amendment to the District Facility Plan which includes: **construction of a new 750 student capacity elementary school, major renovation to Cline Elementary, major renovation to the Alexandria Elementary to become the district alternative school, and other adjustments as noted on the District Facility Plan.**

The floor was opened to those who wished to make a statement. Mr. Strong noted that the LPC and the Campbell County Board of Education worked hard to develop the amendment and he expressed his thanks for the work that was accomplished by both groups.

RECOMMENDATIONS

It is recommended that the Amended District Facility Plan developed by the Campbell County Local Planning Committee and adopted by the Campbell County Board of Education be approved as the District Facility Plan for the Campbell County School District. A copy of the amended plan is attached.

Respectfully submitted,

R. Anthony Strong, Hearing Officer
